We would like to take this opportunity to invite **YOU** to attend our annual high school retreat. This invitation is meant for all high school students. We believe this retreat experience will be something to remember the rest of your life. One of the goals of our retreat is to bring people together to learn more about themselves- to look at their lives; past, present, and future - and to start or renew a friendship with God.

This retreat experience will take place from Friday night March 9th until Sunday March 11th at the Archdiocesan Youth Retreat Center in Kearny, NJ. The theme this year is "**High School Retreat!**". The weekend will have a Peer Ministry dynamic which will consist of Faith and Fun Filled activities.

The Retreat TEAM, made up of high school students and young adults, have been planning for several weeks to help make this retreat a successful one. To be sure you are included in this **GROWTH** experience **you must reply by Sunday March 4th, 2011.** The cost for retreat is \$65.00. This will cover the cost of transportation, lodging, meals, and all retreat materials.

About this Years Retreat ...

This years theme is “High School Retreat” and will look at who we are as a person, and the many issues a teenager has to deal with all the time in school and growing up.

The TEAM has been working hard on this years retreat... Planning meetings have been going on where Rich has been going over the topics that will be covered including starting new, friendships, prayer, breaking free, trust, taking risks, and who we are.

Retreat is a weekend away, where you can focus on yourself, your life, your beliefs and most importantly YOUR FAITH.
